New York, NY – This fall, Old Country Roses collectors everywhere will have another reason to be thankful. Royal Albert's most recognizable pattern in the world, Old Country Roses, has introduced a new collection of giftware called "**Fall Foliage**". Utilizing the traditional Old Country Roses floral design, "**Fall Foliage**" includes new decorative seasonal shapes, perfect for celebrating the fall season, Thanksgiving Holiday and other festive events.

Turkey Salt & Pepper

With the signature rich deep red, gentle yellow tea rose and blush pink colors, **Old Country Roses "Fall Foliage"** incorporates the range of colors from red to yellow that marks the onset of the fall season, evident by the fall foliage leaves. The **Old Country Roses "Fall Foliage"** giftware collection features hand painted 22-carat gold stippling on the edges of the sculpted pieces, instantly adding elegance to the charming shapes.

The start of the fall season is often associated to certain types of foods and décor, and the **Old Country Roses "Fall Foliage"** collection celebrates these holiday icons. The **Turkey Salt & Pepper, Pumpkin Soup Bowl, Pumpkin Tureen with Ladle** and **Turkey Platter** will instantly accessorize your home and table. Coordinating perfectly with the rest of the Old Country Roses dinnerware and giftware collection, **Old Country Roses "Fall Foliage"** is easy to adapt to any décor.
